

# Welcome (back) to... ...(Covid-safe) St Luke's

Greetings friends,  
As always you will receive a warm welcome at St Luke's. Although this time it is a bit different ...

Anyone can attend St Luke's knowing that health risks are minimised and our focus can be on encouraging each other in the Lord Jesus.

It has been a pleasure to gather at 9am on Sundays and 10am on Wednesdays for the whole month of June. We look forward to many more times of mutual encouragement until the Lord returns.

Prayerful best wishes,

Ken Fenton [Rector]

At the door you are greeted with a reminder to keep your distance and a bottle of hand sanitiser!

Every second pew is 'out-of-bounds' so we keep our distance.

All paper is single use, although that has already been St Luke's practice.

The most you can sing is softly under your breath.

And we greet one another with a holy wave!

Communion is shared individually after being hygienically prepared and distributed.
